**Service Parts and Accessories Warranty**

A two-year warranty duration is provided for all Service Parts.

The warranty duration for an Accessory is the same as the warranty duration of the product the accessory is intended to be used with. For example, the warranty period for an nFORCE license plate bracket, part number PNSLBRK2LPH, is five years, the same as the nFORCE light.

The warranty duration for an Accessory with multiple product usage is equal to that of the product with the longest warranty duration.

For example: The warranty duration for the ETSS100BKFV-FR speaker bracket is 5 years: 100C at 5 year / 100L at 2 year / 100N at 3 year

The codes below found in the part numbers represent pricing and are also place holders for the LED or Lens color options.

(x) Standard Pricing

(y) Premium Pricing

(s) Split Standard Pricing
